Chelsea Krost

Chelsea Krost has had a passion for empowering Millennials since she was just 16. Today at only 25 years old, Chelsea is an accomplished speaker, published author, television and radio talk-show host, Executive Producer, social strategist, certified health coach and entrepreneur. Chelsea has strategically partnered with Tribe Artists, a Digital Marketing Agency that offers a variety of services in the social media landscape. Chelsea was an influencer long before the term was coined and became wildly popular. At just 16 she created a Radio Talk show, Teen Talk Live, which was innovative and ahead of its time. Chelsea led the show into success then started producing and appearing in spots first on Local News and then onto National News outlets
